After breakfast and an early afternoon of becoming acclimated with your new surroundings, you will be guided on an easy hike through the rain forest at the base of Arenal Volcano. Your bilingual guide will point out

some of the many wonders of the tropical forest possibly including monkeys and sloths. A clearing at the closest safe observation point is a great spot for a cool drink and with a little cooperation from Mother Nature, you'll see lava spewing from the volcano.

BALDI TERMALE HOT SPRINGS
