Since it's just you and your group the driver will be happy to stop along the way to La Fortuna (Arenal volcano) if you want to photograph the lakeside scenery or get a quick bite to eat.

EL SILENCIO DEL CAMPO (3 NIGHTS)

Surrounded by tropical gardens and a grand view of Volcan Arenal, this La Fortuna hotel has been built around a "small village" concept. The "village" is comprised of private bungalows with two large picture

windows, private patio, swimming pools, one for adults and one for children and a full-service restaurant. After a long day of adventuring, you will be able to cool down in the pool or unwind in their private hot spring fed pool. Breakfast included daily.

DAY 2 — HIKING & VIEWING ARENAL VOLCANO

After breakfast and an early afternoon of becoming acclimated with your new surroundings, you will be guided on an easy hike through the rain forest at the base of Arenal Volcano.

Your bilingual guide will point out some of the many wonders of the tropical forest possibly including monkeys and sloths. A clearing at the closest safe observation point is a great spot for a cool drink and with a little cooperation from Mother Nature, you'll see lava spewing from the volcano.

BALDI TERMALE HOT SPRINGS

After the hike, you will be brought to Baldi Hot Springs, where you will have the opportunity to relax and bathe in the geo-thermally heated hot springs pools and enjoy a buffet dinner.

HOT SPRINGS UPGRADES
